Rollin', rollin', rollin', keep them doggies rollin', man my butt is swollen, Rawhide! Make 'em shine, air 'em up, top 'em off, tune 'me up, adjust the brakes, crank 'em up, Rawhide! Push the clutch, do not cry, jump for joy, smack your thighs – a lick and a promise, Rawhide!

Okay, fellow Cattle Drivers! Mark your calendars, saddle up and travel back in time as the **Model T Ford Club of San Diego** takes you on a journey through the rolling hills of Southern California. This isn't your Daddy's cattle drive, no ma'am. You will need a sense of humor, a yearning for adventure, and a hankering for a tranquil escape from the hustle and bustle of urban life.

Nestled in the rolling hills of So. California, the communities of Temecula, De Luz, Fallbrook, Rainbow, and Vista are known for lush landscapes, charming orchards, and scenic vistas. These backroad communities of past years beckon travelers to explore their hidden gems. One of the best ways to experience the beauty of these quaint towns is by taking a scenic drive through winding roads and picturesque countryside. So, "light a shuck" and embark on a memorable journey.
