## President's Message

### April 2025

First of all, I would like to thank all of you that attended our last General Meeting, March 12th. Maggie's Cafe seemed to work well for our group of 20. So for now we will have all General and Board meetings there. They have a good, varied menu, good service considering how big a group we are, and they'll do separate checks! Noise from main dining room seemed manageable.

We still have 7 tours set up before the end of the year and they are listed elsewhere in this Ruckstell Review. There is plenty of variety so please plan on joining us!

Also please find the write up on our March 15 Tour. The tour was remarkable in that we had a 50% breakdown rate! We salvaged it of course but it was certainly disappointing for all of us. It made me think about the dynamics of our club. If one of us broke down like that on every tour, they would probably find another hobby!

But we all get that breakdowns are inevitable and everyone pitches in whether it's their car or not. I am always impressed with the attitudes that show up when things like this happen. And then there is the camaraderie! All that is what makes this a great club!

Kirby

## **April of 2012:**

Gil Klecan was President, Greg Rising was Secretary, Norm Kling was Tour Chair, and Chuck West was Editor.

The board meeting that month was held at the San Diego Automotive Museum, where Norm gave a large rundown of the upcoming tours and events for the year and John Chapman presented a large list of car shows and local events. Seems it was a busy year for the club. Specific business this month related to a discussion around disassembling the display chassis (and whether to take it to Twain first), but no consensus seemed to be reached. Gil Klecan surprised everyone with news that his son's speedster (stolen 18 years previously) had just been found. Susie Murdock won the raffle for a free dinner at the next meeting.

## **What happened on this month in...**

**2012** - A consortium of 12 San Diego Native American tribes filed suit against the University of California, alleging that officials, including outgoing UCSD chancellor Marye Anne Fox and UC president Mark Yudof, violated federal law by failing to repatriate two human remains, each between 9,000 – 10,000 years old, that were unearthed by UCSD students in 1976. As of April 2025, these remains and other items have yet to be returned to tribes. (I was a student at UCSD at this time and I remember seeing protests about this on campus).

**1995** - Supreme Court Justice Sandra Day O'Connor became the first woman to preside over the Court, sitting in for Chief Justice William H. Rehnquist who was out of town.

**1982** - The beginning of the Falkland Islands War as troops from Argentina invaded and occupied the British colony located near the tip of South America.

**1948** - President Harry S. Truman signed the European Recovery Program, better known as the Marshall Plan, intended to stop the spread of Communism and restore the economies of European countries devastated by World War II.

**1917** - Following a vote by Congress approving a declaration of war, the U.S. entered World War I in Europe.

**1865** - During the American Civil War, Confederate troops of General George Pickett were defeated at Five Forks, Virginia. This sealed the fate of Confederate General Robert E. Lee's armies at Petersburg and Richmond and hastened the end of the war.

**1509** – Henry VIII becomes King of England at the age of 17 after his father dies of tuberculosis. He was originally second in line to the throne until the untimely death of his older brother in 1502.

**776** - King Charlemagne spends Easter in Treviso (northern Italy), after putting down a rebellion in Friuli and Spoleto.

## March 15 Tour by Kirby Pray

Well, we had 6 cars signed up for this tour which was a rerun of the Speedster Run from last October. Tourers included Janna and Rick, the Pepes, John Chapman, the Seaneys, Kirby, and Ross in his Model A.

We met at the El Cajon Police Department parking lot and that's when the trouble began! Janna's T started acting up on the way to the meeting spot and she wisely chose not to haul her problems out to the middle of nowhere in our mountainous backcountry.

She and Rick graciously offered to switch over to Trouble Truck mode and went home to switch out and catch up to the tour.

We lost another T with in 4 blocks of our 9:00 AM departure. Janna and Rick came right back to pick it up and haul it home. Eight miles more and we lost another one! Wow, was there some kind of Voodoo going? Nah, we persevered and continued East.

We chose to skip the dirt road portion of the Speedster route given the recent heavy rains. We went through Alpine, Japatul Valley, Descanso and stopped at Pine Valley for a break. Those recent rains really greened up the backcountry and there were lots of tiny streams coming out of the granite layers. It was quite chilly especially in an open car. Not for Pepes of course, who complained that they were "too hot" in their sedan and had to turn the heater off! Poor things!

We continued East on Old Highway 80 to Boulevard and then looped back on Highway 94 to Campo for a nice lunch at the Campo Cafe. Janna and Rick finally caught up with us in time to eat with us!

We continued West on Hwy 94 through Potrero, Dulzura, Honey Springs Rd and Skyline Truck Trail, Jamul and the back way into El Cajon. No more breakdown! Despite the breakdowns, it was a beautiful day for touring for those of who made it!

Thank you, Janna and Rick for your generous TT service!

**The Last Roundup Tour — Thursday, Oct 16 to Sunday, Oct 19, 2025**

Karen Pepe appeared with the sun  
There was a job to be done  
And so they sent for the badge and the gun  
Of Karen Pepe  
The gal who rides all alone  
And all that she'll ever own  
Is just a badge and a gun and she's known  
As Karen Pepe

The ca'boy/girl no doubt can be regarded as a proud rider, skilled, observant, alert, resourceful, unyielding, daring, punctilious in a code peculiar to his/her occupation, and faithful to his/her trust. Sounds like a standard we all should live by. So, may your belly never grumble, may your heart never ache, may your horse never stumble, may your cinch never break.

The event will begin with a Thursday afternoon, October 16 arrival and check-in at the Pala Mesa Resort (2001 Old Hwy 395, Fallbrook, CA 760-728-5881). A Boot Scootin' Ice Breaker around the Rusty Water Bar will occur at 5pm in the parking lot. The fun-filled 3-day tour will begin on Friday, Oct 17 with a tour of the picturesque southern coast of California from Oceanside to Del Mar (or further if you like). Linking a string of charming beach communities, History Hwy 101 hugs the Pacific Ocean and offers a taste of California's surf culture that can't be duplicated anywhere in the world.

Day two will feature a road rally/tour. It is not a race and the directions will be clear. The intent is not to get you Cattle Drovers lost but to stimulate your creative juices as you progress along the trail. You will be presented with questions about the surroundings you encounter. Yes, it is a competitive event with valuable and highly coveted prizes awarded to the top three finishers, so a navigator with a clipboard is strongly recommended. Cars will depart in 2-minutes intervals. Incremental departures are meant to keep participants from playing "follow the leader!" Yeah, like that is going to work! The rally will culminate with an opportunity to visit Old Town Temecula followed by a BBQ at John and Karen Pepe's Ponderosa.

Day three will consist of a tour to the Antique Gas & Steam Engine Museum in Vista where you will participate in the October Engine and Tractor Festival. Entry is free for your car, driver, and one passenger.

Evening activities will move you to tears. Debbie Francis and Kathy Trujillo agreed to show us how to synchronize bare foot grass ski behind a "T." The rest of the King clan will follow them with hospital-trusted engine break-in lube to address rug burns. Dick and Helen Rash will pick teams for an exciting game of Dodge Yard Darts. Newell Booth will be inking free tattoos. Newell has agreed to give me a full body tattoo of myself, only taller and with hair.

Stay tuned. I'm not done yet!!

So, don't be stepping on any compressed hay. Get a wiggle on and make a grubstake at the Pala Mesa hotel. Don't forget to Pony Express your registration.
